Flat sides

Flat sides are an easy to use option. Simply snap on with magnetic bars to get a stylish finish on your display.

Connection kit for 90° with profile

Connect any two Pop Up to create a sharp 90° angle with a discreet profile.

Connection kit for panel

Click to connect any two Pop Up structures. Straight and 90° connections are available.

Screen Holder

Show your product videos on screens weighing up to 8 kg.

Show Case kit

Display your products in a showcase, placed in the best viewing height with professional light. Connecting showcases can easily be added.

Different heights

Use different magnetic bars and structures to reach 2,5 and 3 m height (98" and 118").

Shelf kit

Add a shelf to display your products. No tools needed.

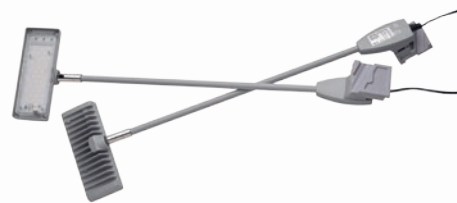

Stabilising feet

Increases the stability depending on configuration.

Curtain profile

Attach a curtain profile easily with velcro to create a separate storage room.

Spotlights

Best in class LED lights. 15W, 1200 lumen.

Panel Case

Available as an optional accessory. The panels are well protected in a padded nylon bag with carrying handle. Diameter 360 mm.

Transport cases

Transport cases that can be converted into stylish counters. You can also store your custom exhibit and have everything ready for the next event.
