

**Easystand**  
Self-build modular system

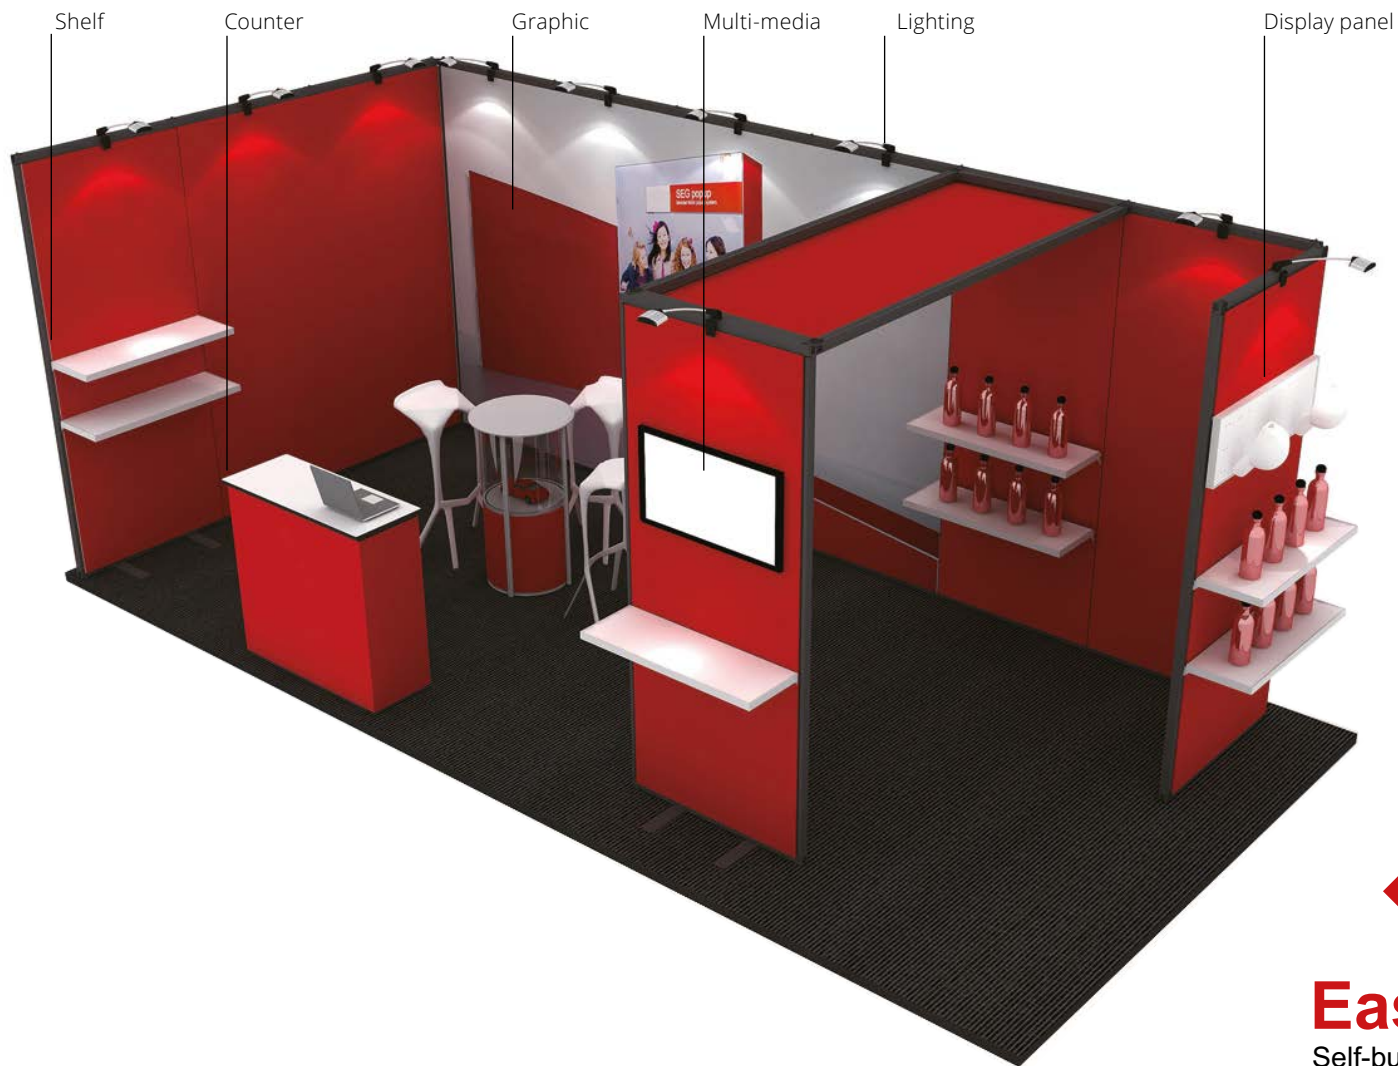

**The easiest way to build a stand!**

**Easystand**  
Self-build modular system

# imagine. create. exhibit.

Do it yourself, tool-less, unlimited flexibility

## The simple, modular and tool-less exhibition solution

Easystand offers a comprehensive solution for your exhibitions and events, including all accessories, storage options, lighting and transport packaging.

Our patented system enables you to setup your booths and displays without the use of any tools, with subsequent easy transport to your next exhibition location.

## Slide and lock

The Easystand fast-lock system enables tool-less assembly and guarantees robust connections

### **Only 4 main parts**

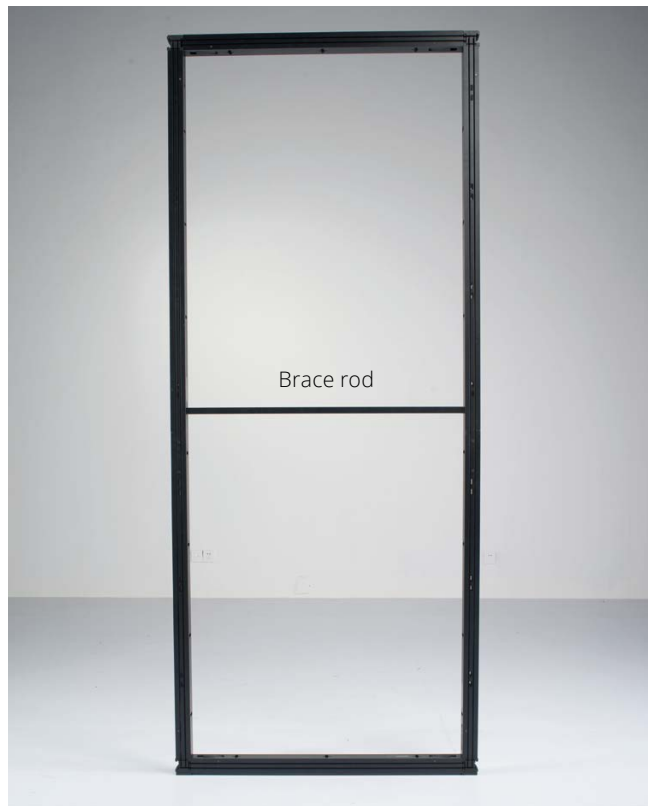

The Easystand system provides a solid frame and high-quality booth with just 4 main parts

Insert

Slide and lock

Push & click

## Accessories

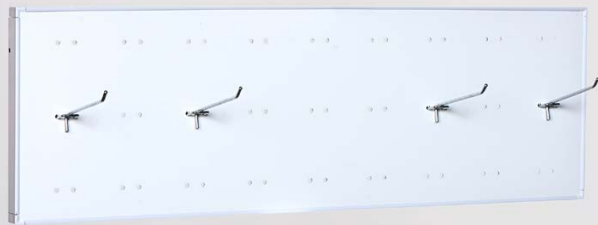

Accessories and feet are easily attachable to the Easystand frame

Foot half

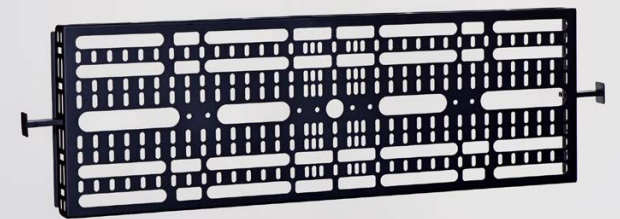

Foot full

Display panel

Shelf

Monitor bracket

—— Straight connector

—— Corner connector

Corner connector converted ——

—— Back to front connector

**Lighting options**

## Storage options

Storage room with door and lock which can be enlarged as required

## Counter

Ideal as a reception desk and for heavy exhibits

## Transport packaging

The whole exhibition booth seen on the left fits easily into the boot of a medium-sized car

# Easystand Lux backlit system

Mobile, modular, large-format lightbox solution

**PlantoSys**  
PLANT STRENGTHENING

Our products strengthen the plant's own defences. The plant reacts faster and more effectively to an infection by bacteria or fungi. All this without chemicals!
