

The easiest way to build a stand!

imagine. create. exhibit.

Do it yourself, tool-less, unlimited flexibility

The simple, modular and tool-less exhibition solution

Easystand offers a comprehensive solution for your exhibitions and events, including all accessories, storage options, lighting and transport packaging.

Our patented system enables you to setup your booths and displays without the use of any tools, with subsequent easy transport to your next exhibition location.

Slide and lock

The Easystand fast-lock system enables tool-less assembly and guarantees robust connections

Only 4 main parts

The Easystand system provides a solid frame and high-quality booth with just 4 main parts

Vertical pole top

Vertical pole bottom

Insert

Horizontal bar

Horizontal bar

Cut flowers

Plant strengthening against
Bacteria | Fungi | Insects

Glasshouse vegetables

Plant strengthening against
Bacteria | Fungi | Viruses | Insects

PlantoSys PLANT STRENGTHENING

Pot plants

Plant strengthening against
Bacteria | Fungi | Insects

PlantoSys PLANT STRENGTHENING

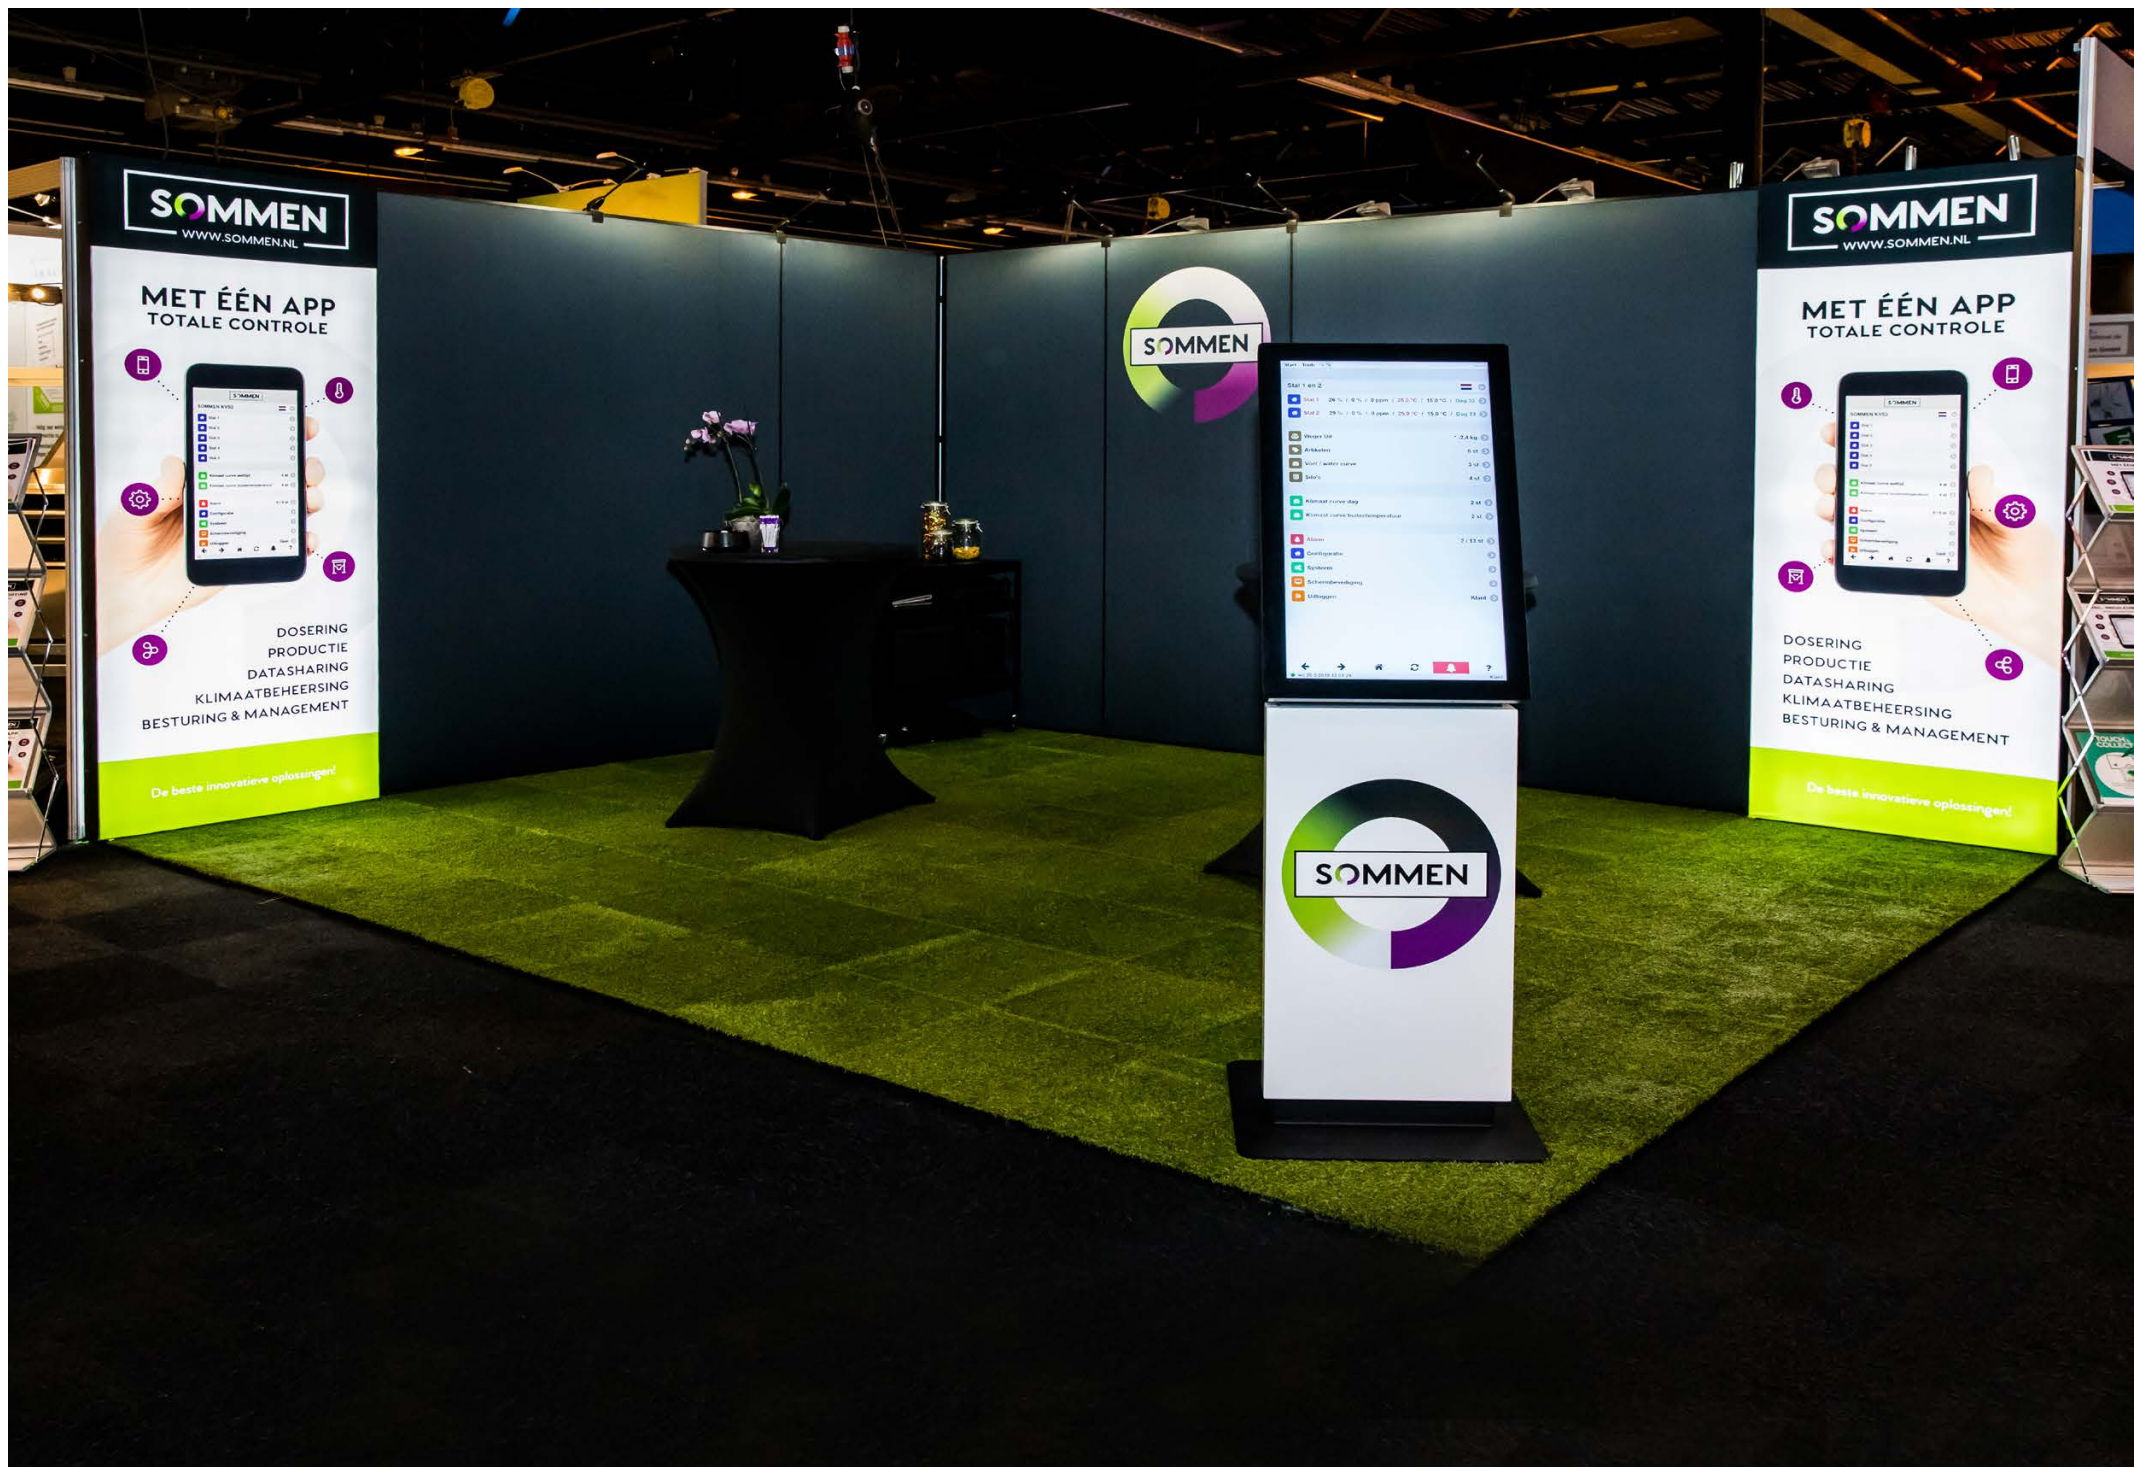

Our products strengthen the plant's
own defences. The plant reacts
faster and more effectively to an
infection by bacteria or fungi.
All this without chemicals!
